This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

* These volumes are not entirely included, as they cover more than the year 1908. In a few other cases the volumes given do not exactly coincide with the year, but the indexing is for the year 1908, irrespective of the volumes. The number of volumes indexed for 1908 is 194, representing 123 publications.

** The Studio, London, vols. 42–45, correspond almost exactly with this set.

COLLABORATORS.

WM. I. FLETCHER, Editor.....Librarian Amherst College, Amherst, Mass

---

GRACE ASHLEY.....Assistant Public Library, Newark, N. J.
MAY ASHLEY.....Librarian Public Library, Greenfield, Mass.
WILLARD AUSTEN.....Assistant Librarian Cornell University, Ithaca, N. Y.
JAMES BAIN, JR.....Librarian Public Library, Toronto, Ont.
WALTER S. BISCOE.....Librarian [Catalog Dept.] State Library, Albany, N. Y.
LAURANCE C. BURKE.....Assistant University of Wisconsin Library, Madison, Wis.
CHARLES H. BURR.....Librarian Williams College, Williamstown, Mass.
ELIZABETH CRANSTON.....Assistant Public Library, Providence, R. I
T. FRANKLIN CURRIER.....Assistant Harvard College Library, Cambridge, Mass.
JOHN F. DAVIES.....Butte, Montana.
NELLIE E. DODGE.....Librarian Indian Orchard Branch, Springfield, Mass.
CARRIE L. ELLIOTT.....Reference Librarian Public Library, Chicago, Ill.
MABEL A. FARR.....Librarian Adelphi College, Brooklyn, N. Y.
IDA F. FARRAR.....Assistant City Library, Springfield, Mass.
FREDERICK W. FAXON.....Boston Book Co., Boston, Mass.

American catalog (The), 1905–1907; containing a record, under author, title, subject and series of the books published in the United States, recorded from January 1, 1905, to December, 1907, together with a directory of publishers. N. Y., Office of The Publishers' Weekly, 1908. c. 64+1164 p. O. hf. mor., $7.50.

There will be no more 5 year American catalogs. The material here covered will not appear in any future compilation.

— American catalog (The), 1905–1907: full title entries; being a reprint of full titles, with annotations, for the three years 1905, 1906, 1907, of the Weekly Record of *The Publishers' Weekly*. N. Y., Office of The Publishers' Weekly, 1908. c. 329+352+466 p. Q. hf. mor., $6.

This volume and the index to it form the three years record of the publications of the United States. It was first planned to include all this material once more in a five years' cumulation. but it would be too bulky and far too expensive. The American Catalog will therefore be cumulated every three years. The directory of publishers for the three years included in the Index volume is also issued separately.

— Carnegie Library, Pittsburgh. Classified catalogue of the Carnegie Library of Pittsburgh, 1902–1906. In 2 v. v. 1, General works, Philosophy, Religion, Sociology, Philology, Nntural science, Useful arts, Fine arts, Literature; v. 2, English fiction, Fiction in foreign languages, History and travel, Biography, Author index, Subject index. Pittsburgh, Pa., Carnegie Library, 1908. 9+968; 969–2019 p. O. cl., $5.

Opera. Sonneck, O. T., *comp.* Library of Congress dramatic music. (Class M 1500, 1510, 1520:) catalogue of full scores. Wash., D. C., [U. S. Office of the Superintendent of Documents,] 1908. 3–170 p. Q. cl., 40 c.

This catalogue represents the full score of operas acquired by the Library of Congress in the interval between the reorganization of the Music Division in 1902, when the collection consisted only of about sixty full scores deposited for copyright, and December, 1907. Incidental music for dramas, melodramas, ballets, pantomimes and the typically English publications of "Favorite songs," have been included, though no special effort has yet been made to develop the collections in these directions.

— Index of economic material in documents of the states of the United States—New York, 1789–1904. Prepared for the Department of Economics and Sociology of the Carnegie Institution of Washington. Published by the Carnegie Institution of Washington, 1908.

— Index of economic material in documents of the states of the United States: Rhode Island, 1789–1904. Prepared for the Department of Economics and Sociology of the Carnegie Institution of Washington. Wash., D. C., published by the Carnegie Institution of Washington, 1908.

These two volumes, published this spring, correspond with the three volumes of this monumental series published last year—Maine, New Hampshire and Vermont. The high standard of the work and the great mass of information to be covered makes the process of publication necessarily slow, but each volume as it is issued adds an invaluable addition to reference literature.
